Springthing Tennessee Style

The **Bluegrass Austin-Healey Club** is proud to partner with our Volunteer members to the south to present the 2015 **SpringThing**. The fun, laid back and hospitality-filled **SpringThing** you've come to expect is taking a Tennessee-style vacation and we invite you to join in on the festivities. Each year we strive to find the very best VIP experiences for our guests and 2015 won't disappoint. We've lined up special behind-the-scenes access to the **Lane Motor Museum in Nashville**, complete with a tour of the basement. But this isn't your grandmothers dusty old basement. This one is filled with hundreds of cars, many of which you've probably never seen or heard of. If tours are your fancy, enjoy the beautiful roads and experience the countryside with your Healey friends all on your schedule.

Our famous **Bluegrass Austin-Healey Club** hospitality suite will be specially catered this year with deli-style selections to keep your stomach full, and of course our bottomless kegs and wine boxes will be on hand to keep you watered, as usual.

Come enjoy new territory for **SpringThing** as we celebrate the family reunion that is **SpringThing**. The Bluegrass Club look forward to seeing you in May! More details www.BlueGrassClub.com

01. Presidents Message: *Courtesy Russell Mills, RussellsMills@gmail.com*

- What a long cold winter it has been. Today the high is going to be in the 70's, I will go for a little ride.

- We had a few make it to the Carl Casper Show. Dale Ballard, Spitfire, Peter Dakin, Morgan, My Triumph. The turn out of spectators was very good considering the bad weather.
- Peter wrapped up and drove his Morgan to the show with his top down. He gets the non-fair weather sailor award.
- This last Saturday, the St. Patrick's Day Parade was a good turn out with a dozen cars. The day started out raining but cleared up nicely. This year the crowd control was so much better, the little children weren't wiping their noses on the side of our cars. The movement was smoother also. This parade gets so many people for a fun, short run.

- This will be Brits by the River. Still working on some details, but will need help from our members to make this new Bash location a bigger and better success. Our meeting is at **Logans Roadhouse, 5005 Shelbyville Rd. at the Watterson, opposite Mall St. Mathews, 893-3884.** Hope to see there.

- This month has started with a little juggle. St. Joseph's construction has been delayed by this winters weather. This has made concerns of safety and liability about parking for the visitors-spectors of the British Bash. The hunt for a new location has been a little nerve racking. More snow and flooding has slowed getting a spot nailed down. A nice location with a new show date has been worked out **Saturday 20th June 2015.**

We are moving to the **Waterfront Park, Festival Plaza.**

This is the same location the Austin Healey Conclave was in 2012.

Russell MORE NOTES reported: -

- There is a packet for French Lick Concours quality Show event in October 2015.
[French Lick Concours @FLConcours](#) The theme for the 2015 event will be the French Lick 100 featuring British favorites and American classics.... <http://fb.me/78aWiYVHs>

1. To start planning the Bash we need to organize committees.
 - (a) We need volunteers: -
 - (b) 4 to 5 people for Registration.
 - (c) 8 to 12 people to count votes.
 - (d) Set-up Crew Friday & Saturday morning.
 - (e) Break-down closing & clean up of cones.
 - (f) Advertise and promote the British Bash.
 - (g) Check Bill Hall Jaguar Club will help us with publicity.
2. A Dues and Roster committee was set up.
It will have Gary Rumrill, Charles Curnick, Mike Leezer.
(Peter Dakin offered to publish communications.)
3. Trevor Jessie will be taking over the web page. Tel: 502-339-9598 e-mail: trevor.jessie@gmail.com
4. We will sponsor the MG National Conference in 2016. MG2016 will be held from June 13th-17th, 2016 in Louisville, Kentucky at Cox Park.
 - (a) There is a meeting at the Crown Plaza on March 19 thru 22 2015
 - (b) This show expects to attract 1600 to 2000 cars.
It could be the largest ever.
 - (c) They are looking for a logo design for this show.
 - (d) It should include a MG logo, local Louisville items like Derby horses, slugger Bats, fluer di lis.
 - (e) Talk about possibility to move 2016 Bash back to meet National Show. *Take Care, Russell*

03a. A PRINTERS PROOF ERROR

Printers proof before colors added

Sharp eyed Trevor Jessie noted that the flag stripes on the first printer proof were not correct, and this Brit is ashamed to say I missed too like others. So Kudus to you Trevor, Thank you.

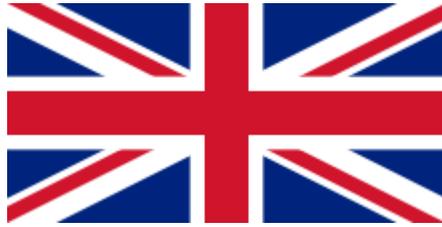

Artist adjustment

03b. TRIVIA

In Britain the flag protocol says be sure the larger white stripe is above the thin red strip in the upper left hand corner.

***Correct way
to fly flag assuming
hoist to the left wide
white top band to left.***

***Incorrect way
to fly flag,
assuming
hoist to the left.***

***Or putting a badge
on your T-Shirt or
on your car, wide
white top band to left.***

A good question is - why is there a right way up? Why not put all three flags together symmetrically, so there is no right way up? According to the information put out by the "Flags and Heraldry Committee of the British Parliament, (who have no durestriction what the ex Colonial rebels do in the USA), the Scottish flag and the English flag were first combined in 1606, and the Irish flag combined with them all in 1801. So the placement of the flags together shows that the Scottish St. Andrew's cross takes precedence over the Irish St. Patrick's cross.

Or is it the British who made life complicated!

05. CLASSIFIED ADVERTISING: -

(a) **FOR SALE:** Two fully restored TR6 Zenith Stromberg carburetors, gaskets, shaft seals, o-rings, float valves, deceleration valve and piston diaphragms. \$375 for the pair. We can discuss your existing carburetors' core value. I have rebuilt many Stromberg and SU carburetors over the years and now that I'm retired I would enjoy employing these skills in a small scale endeavor. Joe at <http://joecurto.com/> supplies my parts and I recommend contacting him if you want to work on your carburetors yourself. His price for two restored TR6 carburetors is \$475. **(Save \$100 buying Gary's)** Gary Rumrill, (502)239-6366 e-mail g.rumrill@twc.com

Gary Rumrill also Reports: - One of the fellas he have lunch with every week will be moving from Middletown to Madison Indiana in the next few months and he really needs to get rid of his collection of car parts. I asked him for a list (below and attached) so we could list them in our newsletter. As you see, the prices are quite low which shows he seriously needs to move them.
